

Temple University

2013–2014 Freshman and Transfer Application

Office of Undergraduate Admissions (041-09), Philadelphia, PA 19122-6096

Applying to Temple University

The best way to apply is online at www.temple.edu/undergrad/applying. The online application fee is \$55. Online applications are processed more quickly, but if you choose to use this paper application, please read the information on pages b and c carefully.

Application Deadlines

- **Fall Semester:** March 1 for freshmen; June 1 for transfers
Music: March 1 for transfers; Nursing: February 15 for freshman and transfers (Nursing is a four-year program, even for transfer students).
- **Spring Semester:** November 1 for freshmen and transfers.

Reminders

- Enclose a check or money order for \$55 made payable to **Temple University**, we cannot accept cash.
- Submit only official transcripts—those mailed directly to the Admissions Office from the records office at a school, college or agency.
- Sign and date your application.

Complete this application...

- if you are applying to Temple for the first time as either a freshman or transfer student.
- if you applied previously to Temple more than one year ago. You must have new official transcripts sent to us.

Do not complete this application...

- if you have applied to Temple within the last year but did not attend. Complete instead a **Renewal Application**, online at www.temple.edu/undergrad/applying.
- if you previously attended Temple as a degree candidate (matriculated student). Complete instead a **Readmission Application**, online at www.temple.edu/undergrad/applying.
- if you have already earned a bachelor's degree and wish to take courses as a non-matriculated student or obtain certification from one of our schools or colleges. Complete instead a **Special Student Application**, available from the dean's office of the college in which you wish to enroll or from the Office of Continuing Studies (215-204-2550).
- if you are an international student. If you are not a U.S. citizen and will require a non-immigrant visa, you must complete the **International Student Application**, online at www.temple.edu/undergrad/applying.

Freshman Applicants

You are considered a freshman applicant if you are still in high school or have attempted fewer than 15 credits at a regionally-accredited college or university after graduating from high school or earning a state General Equivalency Diploma (GED).

- If you are still in high school, submit your completed application, \$55 application fee, your official high school transcript and SAT/ACT scores to our Admissions Office.
- If you have completed high school or earned a GED, send your application and fee to us directly and request all high schools and colleges you have attended to mail official copies of your transcripts.
- If you did not graduate from high school but have earned a GED, submit your original GED scores as well as all transcripts of coursework completed before leaving high school. If you are 22 or older, we consider you an adult student and do not require SAT/ACT scores.

Transfer Applicants

You are a transfer applicant if you have attempted 15 or more credits at a regionally-accredited college or university after graduating from high school or earning a GED. You must authorize all high schools and colleges you attended to send official copies of your transcripts to the Admissions Office. Return your completed application and fee directly to the Admissions Office.

Decision Process

Once we have received all the required documentation—signed application, \$55 fee, high school and college transcripts, SAT/ACT/GED/TOEFL scores (if applicable)—we can make an admissions decision. We may initially review a completed application and request additional information, such as senior grades, before making a final decision.

We make freshman decisions on a rolling basis beginning in October for both spring and fall admission. We usually notify applicants within a month of submission, although we hold some fall applications until early April. Decisions are made by professional admissions staff members, who take into consideration high school and college grades, class rank, standardized test scores, essays, recommendations, and other relevant information.

Instructions for Completing the Application

- Q1** If your name has changed since you attended high school or college, please give your current and previous names.
- Q2** Temple University requires your Social Security number (SSN) because federal, state and local laws require the university to report name, address and SSN. We will not disclose your SSN without consent unless required to do so by law, or as permitted by the university's Social Security Number Usage Policy.
- Q8** Temple University is required by the federal government and asked by accrediting associations to describe the racial/ethnic backgrounds of our students and employees. In order to respond as accurately as possible, we ask you to answer both **a** and **b**.
- Q9** If you are not a U.S. citizen, provide your alien registration number and a copy of your alien registration card.
- Q10** If you claim Pennsylvania as your legal residence, indicate the number of years that both you and your parents have lived continuously in the state. If less than one year, indicate number of months. The Admissions Office makes the initial decision about residency on the applicant's current state of residence and schools attended. The University Registrar's Office resolves all residency appeals. Members of the Armed Forces on active duty in Pennsylvania, and their dependents, are classified as residents for tuition purposes.
- Q15 Temple University Ambler:** Temple's suburban campus is located in Ambler, Pa., 40 minutes from Main Campus. Most academic programs can be started at Ambler, with a later transfer to Main Campus or Health Sciences Center, and 21 majors programs can be completed there.
- Health Sciences Center:** For juniors and seniors transferring to the College of Health Profession's Health Information Management programs.
- Q16** On page 4, the university's schools and colleges are listed in red type and their majors are listed in black type.
- Q16a** Locate your intended major and list the school or college.
- Q16b** List your intended major. If you are undecided about a major at this time, you may indicate "undecided" in either the schools of Business (Fox), Tourism and Hospitality Management, Media and Communication, or in the colleges of Engineering, Liberal Arts, or Science and Technology. Note: Students transferring 60 or more credits must select a specific major (not undeclared).
- Q19** If you are a degree-seeking, matriculated student, you should not complete this application.

- Q21** List the last two high schools you have attended, if more than one, including the current school from which you are graduating. Enter the month and year of your graduation date. If you have not graduated, enter your anticipated graduation date.
- Q22** Select "Yes" only if you have taken the GED test. Please submit an official copy of your GED test scores and high school transcript of all high schools attended.
- Q23** If you took the TOEFL, please provide an official or certified copy of the score.

Tracking Your Application Status

Go to the TUportal website <https://tuportal.temple.edu> and log in with your AccessNet username and TUsecur password. You can check the status by clicking on the "Apply for Admission" tab above, then clicking on the link under "Processed Applications."

You'll want to create a TUportal account as that's your personal dashboard that allows you to quickly and easily track the status of your application online, including:

- Whether your application is complete or in progress
- If there are any documents missing from your application
- Whether or not an admissions decision has been made and mailed to you

TUportal is your gateway to schedule a visit, view student videos, and so much more.

To receive an invitation to join TUportal, visit www.temple.edu/undergrad and click on "mailing list". You will receive instructions via email within 24 hours.
