## 2019 FRESHMAN MERIT SCHOLARSHIPS

Choosing a major can be difficult, especially with 140-plus options, but understanding scholarship opportunities shouldn't be. Temple's mission is to provide an excellent, affordable education to motivated students regardless of their backgrounds or means—that's why all freshmen are automatically considered for merit scholarships, no separate application required.

Merit scholarships range from \$2,000 to full tuition. The value and volume of merit scholarships we can offer is determined by the availability of funding, as well as the size, quality and characteristics of the entire applicant pool. Students awarded our full-tuition merit scholarship—the President's Scholar Award—may also apply for one summer educational stipend of \$4,000 to be used for a variety of academic experiences, such as approved study away, research opportunities or internships.

### WHO'S CONSIDERED?

- Any freshman applicant\* who has completed their application by **Feb. 1, 2019**, including international students, is eligible.
- Freshman applicants who apply late are considered only if funds are still available.

*\*For scholarship purposes, a freshman applicant is a current high school student who will graduate prior to the start of the fall 2019 semester and will not earn any college credits after their high school graduation.*

Temple is committed to making your education a manageable investment by offering a wide variety of financial aid.
