

2017–2018 TRANSFER APPLICATION

Undergraduate Admissions, Conwell Hall, Room 103, 1801 N. Broad St., Philadelphia, PA 19122-6096

APPLYING TO TEMPLE UNIVERSITY

You can apply to Temple using the Common Application or Temple's application (nextstop.temple.edu/apply).

The application fee is \$55. Online applications are processed more quickly, but if you choose to use this paper application, be sure to carefully read the information on page 2.

APPLICATION DEADLINES

- Temple accepts students based on Rolling Admissions.
- **Fall semester:** June 1; Feb. 1 for Nursing (Nursing is a four-year program, even for transfer students) and Health Information Management
- **Spring semester:** Nov. 1

REMINDERS

Enclose a check or money order for \$55 made payable to Temple University; we cannot accept cash.

Submit only official transcripts, which are those mailed directly to the Admissions Office from the records office at a school, college or agency.

Sign and date your application.

DO NOT COMPLETE THIS APPLICATION IF...

- you previously attended Temple as a degree candidate (matriculated student). Instead, complete a Request to Re-enroll form, available online at admissions.temple.edu/re-enroll.
- you have already earned a bachelor's degree and wish to take courses as a nonmatriculated student or obtain certification from one of our schools or colleges. Instead, complete a Special Student Application, available from the dean's office of the college in which you wish to enroll or from the Office of Continuing Studies (215-204-2550).
- you are an international student. If you are not a U.S. citizen and will require a non-immigrant visa, you must complete the International Student Application, available online at admissions.temple.edu/international.

TRANSFER APPLICANTS

You are a transfer applicant if you have attempted 15 or more credits at a regionally accredited college or university after graduating from high school or earning a GED diploma. You must authorize all high schools and colleges you attended to send official copies of your transcripts to the Admissions Office. Return your completed application and fee directly to the Admissions Office.

DECISION PROCESS

Once we have received all the required documentation— a signed application, the \$55 fee, high school and college transcripts, and SAT/ACT/GED/TOEFL/PTE scores (if applicable)—we can make an admission decision. We may initially review a completed application and request additional information before making a final decision.

Students are considered on a Rolling Admissions basis; decisions begin in October for spring applications and in January for fall applications. Applicants are notified within four to six weeks of submitting a completed application, although we hold some applications for a second review; decisions about these applications will be made after the six-week time frame. Decisions are made by professional admissions staff members, who take into consideration college and high school (if applicable) grades, your essay, and other relevant information.

INSTRUCTIONS FOR COMPLETING THE APPLICATION

- Q1** If your name has changed since you attended high school or college, give your current and previous names.
- Q2** Temple University requires your Social Security number (SSN) because federal, state and local laws require the university to report your name, address and SSN. We will not disclose your SSN without consent unless required to do so by law, or as permitted by the university's Social Security Number Usage Policy.
- Q8** Temple University is required by the federal government and asked by accrediting associations to describe the racial/ethnic backgrounds of our students and employees. In order to respond as accurately as possible, we ask you to answer both a and b.
- Q9** If you are not a U.S. citizen, provide your alien registration number and a copy of your alien registration card.
- Q10** If you claim Pennsylvania as your legal residence, indicate the number of years that both you and your parents have lived continuously in the state. If it's been less than one year, indicate the number of months. The Admissions Office makes the initial decision about residency on your current state of residence and schools attended. The University Registrar's Office resolves all residency appeals. Members of the armed forces on active duty in Pennsylvania and their dependents are classified as residents for tuition purposes.
- Q14** Select "yes" only if you have completed an Intent to Enroll form and received approval through the Dual Admissions program with one of Temple's select partner community colleges. If you are a Dual Admissions student, your \$55 application fee will be waived.
- Q16** Temple University Ambler: Temple's suburban campus is located in Ambler, Pennsylvania, 40 minutes from Main Campus. Most academic programs can be started at Ambler, with a later transfer to Main Campus or the Health Sciences Center.
- Health Sciences Center: For juniors and seniors transferring to the College of Public Health Health Information Management programs.
- Q17** On page 7, the university's schools and colleges are listed in red type and their majors are listed in black type.
- Q17a** Locate your intended major and list the school or college.
- Q17b** List your intended major. If you are undecided about a major at this time, you may indicate "undeclared" in the schools of Business (Fox), Sport, Tourism and Hospitality Management, and Media and Communication, or in the colleges of Engineering, Liberal Arts, and Science and Technology.
Note: Students transferring 60 or more credits must select a specific major (not undeclared).
- Q18** If you are a degree-seeking, matriculated student, you should not complete this application.
- Q20** Some of our schools/colleges do not allow second-degree candidates. Contact the Admissions Office to speak with a transfer counselor.

- Q22** List the last two high schools you have attended, if more than one, including the current school from which you are graduating. Enter the month and year of your graduation date. If you have not graduated yet, enter your anticipated graduation date.
- Q23** Select yes only if you have taken the GED test. Submit an official copy of your GED test scores and high school transcripts from all high schools attended.
- Q24** If you took the TOEFL, provide an official or certified copy of your score.

TRACKING YOUR APPLICATION STATUS

Go to the TUportal website, tuportal.temple.edu, and log in with your AccessNet username and TUseful password. You can check the status by clicking on the Apply for Admission tab, then clicking on the link under Processed Applications.

A TUportal account allows you to quickly and easily track the status of your application online, including whether

- your application is complete or in progress; there are any documents missing from your application; and
- an admission decision has been made and mailed to you.

TUportal is also your gateway to schedule a visit, view student videos and much more.

To receive an invitation to join TUportal, visit **admissions.temple.edu/request-information** and click Mailing List. You will receive instructions via email within 24 hours.
